Supposed auction notice

I shall sell at public auction in Faneuil Hall on Tuesday next 22 inst, my man George, commonly called George Latimer, a very valuable hand he having been accustomed to all descriptions of work in my house and store. I have refused six hundred dollars in cash for him since I have been in this city. Said George is a handsome man in appearance, ~~and~~ being nearly white, and of correct department. His morals and piety are unquestionable as he has been educated in my own family

Sale positive as I intend leaving the city and have no further use for him. Sale on conditions made known at the time and place

Also will be leased at the same time and place the services of a well known attorney of this city
